

**Sirish Maddali, M.D., F.A.C.S.**

390 Laurel Street, Suite 205

San Francisco, CA 94118

(415) 771-7710

<http://www.DrMaddali.com>

**CERTIFICATION:**

**American Board of Plastic Surgery**

Board Certified

**American Board of Surgery**

Board Certified

**Fellow of the American College of Surgeons (F.A.C.S.)**

**EDUCATION:**

**Cornell University Medical College**, New York, NY

Doctor of Medicine, Alpha Omega Alpha, May, 1998

**Brown University**, Providence, RI

B.Sc., Honors, *magna cum laude* (Biochemistry and Molecular Biology), 1994

**Stuyvesant High School**, New York, NY, 1990

**RESEARCH/WORK EXPERIENCE:**

- 2009 Volunteer Clinical Instructor, Division of Plastic Surgery, Department of Surgery, **University of California at San Francisco**. Trained plastic surgery residents in multiple complex trauma and reconstructive surgery at the San Francisco General Hospital. Provided didactic lectures to Plastic Surgery Residents.
- 2007-current Opened a successful solo aesthetic and reconstructive plastic surgery practice in the heart of San Francisco. Started with one employee and have grown to three employees with nearly \$500,000 per year in gross revenue.
- 2005-2007 Plastic Surgery Fellow, Department of Surgery, **University of California at San Francisco**, PGY8 & PGY9 years. Developed and organized a weekly lecture series to teach clinical problem solving to UCSF Plastic Surgery residents, utilizing local plastic surgeons in San Francisco.
- 2005-2007 Anatomy Lab Teaching Assistant and OR Assist Course Teaching Assistant for the Medical School, **University of California at San Francisco**
- 2002-2005 General Surgery Resident, Department of Surgery, **The New York Presbyterian Hospital - Cornell**, PGY5, PGY6, PGY7 years.
- 2000-2002 Clinical Fellow, Department of Surgery, **The New York Presbyterian Hospital – Cornell**, PGY3, PGY4 years.
- 2000-2002 Research Fellow, Surgical Oncology/Immunology Research Training Program, **Weill Medical College of Cornell University**, PGY3 & PGY4 years. Sponsor: Dr. John Daly. •*Primary investigator studying the role of cyclooxygenase-2 in post-surgical inflammatory response.*
- 2000-2002 Private Tutor for Calculus and Biology/Chemistry to High School students.
- 1998-2000 General Surgery Resident, Department of Surgery, **The New York Presbyterian Hospital – Cornell**, PGY1 & PGY2 years.
- 1995-1996 Clinical Research Assistant, Department of Soft Tissue Research, **The Hospital for Special Surgery**. Sponsor: Dr. George Murrell. •*Primary investigator studying the role of nitric oxide in muscle cramps.*

- 1994-1996 Clinical Research Assistant, Department of Soft Tissue Research, **The Hospital for Special Surgery**. Sponsor: Dr. Russell Warren. •*Primary investigator studying nitric oxide in traumatic arthritis.*
- 1992-1994 Research Assistant, Department of Biochemistry, **Brown University**. Sponsor: Dr. Kailash Agarwal. *Honors thesis, "Role of plasma adenosine in the antiplatelet actions of nitroglycerin."*
- 1992, 1993 (Summer) Research Fellow, Cardiovascular Unit, **The Du Pont Merck Pharmaceutical Company, Wilmington, DE**. Sponsor: Dr. Tom Reilly. •*Developed a rat arterial thrombosis model for testing antithrombotic agents;* •*Tested novel antiplatelet agents in animal models to validate tissue factor as a target for antithrombotic research.*
- 1987-1990 Research Assistant, **Division of Biology, New York University**. Sponsor: Dr. Guenther Stotzky. •*Conducted research on the effects of releasing Genetically Engineered Microbes (GEMs) into soil.*

#### **HONORS/AWARDS:**

- American College of Surgeons – Committee on Trauma, North-East Resident Trauma Paper Presentation winner (2001)
- Gustave Noback Memorial Prize for the top medical student in Anatomy (1998)
- Max Kade Fellow in International Medicine (1998) – Vienna, Austria
- Elected to the Alpha Omega Alpha (AOA) Honor Society (1997)
- Papanicolaou Fellow in Gross Anatomy (1997)
- 1996 3M Basic Science Award for best paper presentation at the 2<sup>nd</sup> World Congress on Sports Trauma/The American Orthopaedic Society for Sports Medicine (1996)
- Elected to The Society of Sigma XI (1994)
- Represented Brown University at the annual Association for Higher Education And Disability meeting in Maryland (1993)
- Top 300 (Semifinalist) Award; National Westinghouse Science Talent Search (1990)

#### **PROFESSIONAL SOCIETIES:**

- American Society of Plastic Surgeons; Candidate Member
- American Society of Aesthetic Plastic Surgeons: Candidate Member
- San Francisco Medical Society
- California Medical Society
- San Francisco Chamber of Commerce
- American Medical Association
- American Society of Maxillofacial Surgeons Resident Member (2005-2007)
- American College of Surgeons; Candidate Member (2000-2004)

#### **PERSONAL:**

- Fluent in Telugu (Indian dialect); Conversational in French and Spanish
- Additional interests: basketball, weight lifting, traveling, digital photography, IT consultant, dog training

#### **BIBLIOGRAPHY:**

##### **Papers in preparation:**

- Gastric physiology, Pancreatic physiology (book chapters). In: Blackbourne, L. Extreme Surgical Recall.

##### **Papers published:**

- Maddali S, Smyth GP, Stapleton PP, Duff M, Yan Z, Cruz V, Daly JM. (2004) Neuroendocrine Responses Mediate Macrophage Function after Trauma. *Surgery* 136(5), 1038-46
- Maddali S, Stapleton PP, Freeman TA, Yan Z, Duff MD, Smyth GP, Daly JM. (2004) Altered Cyclooxygenase-2 Expression and Nitric Oxide Metabolism Following Major Elective Surgery. *J Surg Res* 116, 211-18.
- Maddali S, Daly JM. (2002) Gastrojejunostomy in Pancreatic Cancer: Is It Worthwhile? *Current Surgery*. *Curr Surg* 59(1), 17-21.
- Maddali S, Yan Z, Strong VEM, Duff M, Smyth GP, Mestre JR, Stapleton PP, Daly JM. (2001) Cyclooxygenase-2 is expressed in murine T-cells and altered after traumatic injury. *Surg Forum* LII, 180-2.
- Maddali S, Rodeo S, Barnes R, Warren RF, Murrell GA. (1998) Postexercise increase in nitric oxide in football players with muscle cramps. *Am J Sports Med* 26 (6), 820-4.
